CLASS ODE

(Tune: "Open Arms")

Standing here proudly, with hope for our lives
 Facing the future with pride
 Standing here sadly, with tears in our eyes
 Thinking of all that has been
 We've sailed long together
 Now we'll drift apart
 Now that we leave Sanford High (Chorus)

Chorus: But let us come to life with open arms
 No turning back, with nothing to hide
 For the road ahead lies there before us
 Beckoning us
 Away from your halls
 Sanford High

So much to offer, so much to choose
 So much awaits us beyond
 New places, new people; so much to see
 Now that we're out on our own
 But we'll always look back
 With fond memories
 To life at Sanford High (Chorus)
