David M. Bernier
100 S. Birch Rd., # 2001
Fort Lauderdale, FL 33316

Dear David:

On behalf of the City Commission, I would like to take this opportunity to thank you for all the hard work you have put forth while serving on the Marine Advisory Board.

It really takes a dedicated person to spend countless hours, without compensation, for the betterment of our City. You are truly to be commended for volunteering your time and efforts in making Fort Lauderdale a better place to live and work.

The Citizens and City Commission of Fort Lauderdale are indeed fortunate to have had your service as an advisory board member, and I know that all of your hard work has had a positive impact on our City.

As a small token of our appreciation, I am enclosing a certificate in recognition of the service you have rendered to the City. I am also enclosing an advisory board application in case you may be interested in serving on another advisory board. Please either mail or fax (828-5017) this application back to Office of the City Clerk.

Best Regards,

Jim Naugle
Mayor
